

Each year Castle Property donates hundreds of pounds of re-useable items left at the properties.

If you are planning on trashing the items listed below please consider leaving them in a box or bag in your kitchen instead. Please bag open liquids (cleaning items) together and place in the kitchen sink just in case of a leak.

Not only will you be helping others, you will reduce the amount of items you need to haul home, to the street or to the landfill.

Please be sure to only leave listed items.

Thank you for your assistance with our ultimate recycling / reuse program.
